

[Investing to Beat a Benchmark: FREE Access to the Online Investors Conference Presentation](#)

As you may have seen in the last few weeks in our newsletter, I was recently invited to be a presenter at the Online Investor Conference. My topic was "Investing to Beat a Benchmark."

But it really was a fairly good overview of our end-to-end value investing approach at Iron Gate. A look into what has made our [past sixteen years of performance stand out](#).

We are now making it available to IGGA newsletter subscribers to view at your leisure free.

It will be beneficial for both the investor who has a financial advisor and the investor who manages their money for themselves. If you follow the video through, it will be a good way to assess whether you are investing with an eye towards value – i.e. the Buffett approach.

So click below and enjoy a look at our perspective on Investing to Beat a Benchmark.

Disclosures: All investments have inherent risks. There can be no assurance that the investment strategy proposed will obtain its goal. Past performance does not guarantee future results. Options contain risk that may result in the loss exceeding the original investment. Do not trade options until you talk with a financial professional and understand the risk.

Join Us For a Discussion on Portfolio Risk and the Impact of the Presidential Race

If you are in Utah we'd love to have you join us for a free lite dinner, some rubbing shoulders with like minded investors, and a discussion on investing. We are jointly sponsoring this event with the USU Alumni Association but it is open to anyone interested. Hope to see you there.
