

Are you running with the herd?

Much can be learned from the last two months of 2018. It was a fast, falling and downright crazy market!

In today's podcast we discuss an actual experience that we had with a friend. We discuss the psychology of a particular stock and how hard it is to keep a level head when all is falling around you. This experience is one that everyone will have at some point in their life.

The ultimate question from that experience comes down to the herd mentality and whether you are following the herd.
