

The Risk That Can Snowball

A critical risk retirees face is running out of money. In today's podcast, we discuss how to overcome this risk. We breakdown the popular 4% rule and the reality of what that looks like today and what you need to know to ensure you are properly prepared.

Brett and Brian explain why overcoming this risk may mean you should be invested in stocks, more than may be comfortable, and even longer than you may feel comfortable.

Here's to wise investing!
