

This time won't be any different

"The four most dangerous words in investing are: *this time is different.*" – Sir John Templeton

The Great Depression. The 9/11 terrorist attack. The Financial Crisis . . . and now the Coronavirus pandemic.

In the midst of this current pandemic, as businesses fail and the unemployment rate heads to 20%, it's easy to say "***this time is different***".

In [today's podcast](#) we explain why this bear market won't be any different than the bear markets that preceded it.

Here's to wise investing,
