Warren Buffett – arguably history’s greatest investor – releases an annual letter sharing his words of wisdom and providing us with an update on his business.

Three things stood out to us in this year’s letter, and that’s what we discuss in our podcast this week. They include:

1. What to look for (and not look for) in an investment,
2. The biggest barrier to success as an investor,
3. The role of bonds in a portfolio (and this one may shock you).
