

# Turn off the TV, You Turkey's!

As a client of Iron Gate Global Advisor's, you can be grateful for the fact that you own great businesses, because it means you can (and should) ignore stock prices day-to-day.

Listen to this week's podcast with our Chief Investment Officer Brian Hunsaker for some great analogies and blissfully non-technical explanations of why you don't need to worry as the market yo-yos it's way into the holiday season.

Here's to wise investing,
